I'd Like to Thank . . .

Edith designed costumes for hundreds of movies and won eight Academy Awards for Best Costume Design—more than any other female Oscar winner in history! Imagine that you've just won an Oscar for your work on a movie. Would you be the director, actor, or costume designer? Describe the plot of the movie in a few sentences. Write your acceptance speech! Who would you like to thank? And why do you think you won this award?
